

Town Meeting Coordinating Committee Forum on

Smart Growth

What is 'smart growth' and how could it be useful as Amherst finalizes and implements its Master Plan?

Come hear from some regional experts on Smart Growth who will discuss connections between land use, public transportation, development, and conservation of open space, and about forming alliances to promote sustainable growth.

PRESENTERS:

Jessica Allan, Senior Planner
Pioneer Valley Planning Commission

David Elvin, Senior Transit Planner
Pioneer Valley Planning Commission

Jeff Lacy, Chief Environmental Planner
